**Day 2: Wednesday 27<sup>th</sup> September**

**08.00:** Transfer to the Establishment Team Room (*Teacher's Room*).

**Mayor deficiency**

*“Insufficient number of hours of hands-on clinical training with real patients under the supervision of academic staff in both companion and food-producing animals in order to achieve Day One Competences for each individual student”.*

**08.30- 09.15:** Brief presentation of the changes implemented in the core curriculum. Meeting with relevant people.

Place: Faculty Council Meeting Room	
1.	Dean
2.	Liaison Officer
3.	VD for Studies Coordination and Quality. Coordinator of the Committee for Assessment and Improvement of the Veterinary Degree
4.	VD for Students and Mobility
5.	Head of VTH
6.	Coordinator of Clinical Propaedeutics
7.	Coordinator of Radiology and Diagnostic Imaging
8.	Coordinator of Obstetrics and Reproduction
9.	Coordinator of Infectious Diseases
10.	Coordinator of Parasitic Diseases
11.	Coordinator of Small Animal Internal Medicine and Clinical Rotation
12.	Coordinator of Large Animal Internal Medicine
13.	Coordinator of Surgery
14.	Head of the Department of Animal Medicine and Surgery
15.	Head of the Department of Animal Health
16.	Student Representatives (2)

**Minor deficiencies (I)**

***“Insufficient transversal and collaborative approach between disciplines in some areas of the curriculum and imbalance in the curriculum between theoretical, practical and clinical training to the detriment of the latter.”***

**09.15-09.30: Meeting with relevant people.**

Place: Faculty Council Meeting Room	
1.	Liaison Officer
2.	VD for Studies Coordination and Quality. Coordinator of the Committee for Assessment and Improvement of the Veterinary Degree
3.	Coordinator of Anatomy
4.	Coordinator of Radiology and Diagnostic Imaging
5.	Coordinator of Pathology
6.	Coordinator of FSQ
7.	Head of VTH
8.	Head of Teaching Farm
9.	Representative of the Department of Animal Health
10.	Representative of the Department of Animal Production
11.	Representative of the Department of Animal Medicine and Surgery

***“Insufficient hands-on training in post-mortem examination for FSQ.”***

**09.30-09.45: Meeting with relevant people.**

Place: Faculty Council Meeting Room	
1.	Liaison Officer
2.	Head of the Department of Food Science and Technology
3.	Coordinators of FSQ (2)

***“Absence of fire extinguishers within some large lecture rooms, unfinished isolation facilities and procedures for large animals, inadequate procedures for the storage of drugs in some clinical rooms, and non-systematic implementation of biosecurity procedures in laboratories, VTH and teaching farm.”***

**09.45-10.15: Brief presentation, meeting with relevant people, and visit to the lecture rooms.**

Place: Faculty Council Meeting Room	
1.	Liaison Officer
2.	Head of the VTH
3.	Head of the Teaching Farm
4.	VD for Students and Mobility
5.	FVM Manager
6.	Representative of academic staff in the Biosecurity Committee of the FVM
7.	Head of the Department of Animal Medicine and Surgery
8.	Head of Large Animal Clinical Service, VTH
9.	Head of Small Animal Clinical Service, VTH

**10.15- 10.45: Coffee break.**

Place: Faculty Council Meeting Room	
1.	Liaison Officer
2.	Head of the VTH
3.	Head of the Teaching Farm
4.	VD for Students and Mobility
5.	FVM Manager
6.	Representative of academic staff in the Biosecurity Committee of the FVM
7.	Head of the Department of Animal Medicine and Surgery
8.	Head of Large Animal Clinical Service, VTH
9.	Head of Small Animal Clinical Service, VTH

**13.00-14.00: Informal lunch with Team alone.**

**Minor deficiencies (II)**

*“Insufficient resources for maintenance of current facilities and purchase of new equipment.”*

*“Insufficient autonomy of the Establishment to adapt the number of students to the available resources and to control their progression.”*

*“Insufficient number of teaching staff specialised in clinical disciplines and services, insufficient formal training ‘to teach and to assess’ for practitioners involved with extra-mural clinical training, lack of support and recognition of teaching and clinical performances for progression in the career, insufficient number and qualification of support staff, especially in clinical services, and insufficient personal development opportunities for staff.”*

**14.00-15.00: Meeting with relevant people.**

Place: Faculty Council Meeting Room	
1.	Dean
2.	Liaison Officer
3.	VD for Postgraduate and Personnel
4.	FVM Manager
5.	Head of VTH
6.	Head of Teaching Farm
7.	Dean’s Delegate for IT
8.	Head of Large Animal Clinical Service, VTH
9.	Head of Small Animal Clinical Service, VTH

## TIMETABLE

---

***“Insufficient number of ruminants and pigs necropsy.”***

**15.00-15.15:** Meeting with relevant people.

Place: Faculty Council Meeting Room	
1.	Liaison Officer
2.	Head of VTH
3.	Coordinator of Pathology
4.	Coordinators of Clinical Rotation (2)
5.	Teachers specialised in pig and ruminants
