

VACANCY EQUINE VETERINARIAN – REPRODUCTION: Season 2022

We are looking for a young, enthusiastic and motivated veterinarian with a special interest in equine reproduction to assist us during the reproduction season 2022 (March until August).

You will work in different aspects of the gynecologic spectrum:

Ultrasound follow up of donor and recipient mares, artificial insemination (fresh/frozen/deep), embryotransfer of fresh and frozen embryos, birth assistance, foal care, management of recipients,...

Experience is not necessary but a benefit.

Apartment available. Good salary.

If you are interested, please send your CV and motivation letter to lies@jefdesmedt.com
